

FANS AND VENTILATORS FOR OIL AND GAS AND ATEX

HW Ventilation can supply fans and ventilators which are compliant with the ATEX Directive. The main applications in which our ATEX fans and ventilators can be utilized are hazardous locations, like oil&gas refineries, military applications, extreme environments...

HW Ventilation was issued the **ATEX Certificate of deposit of documentation** No. 557/Ex-Ab 2596/17 by TÜV Rheinland.

The certificate of deposit, which will be valid for 10 years, [will cover the entire MAV series](#) of axial ventilators in compliance with the scope of [Directive 2014/34/EU](#).
